

THEME: The Spectrum of MS

WEDNESDAY, FEBRUARY 24	
7:00-9:00pm	ACTRIMS Faculty Reception
THURSDAY, FEBRUARY 25	
9:30am -10:45am	SS1. Charcot Symposium
11:00am-12:15pm	SS2. IMSVISUAL Symposium
12:30pm-1:45pm	SS3. NAIMS Symposium
2:00-2:10pm	Forum 2021 Opening Address
2:10 – 3:20	KJ1. Kenneth P. Johnson Memorial Lecture
3:20-3:50pm	BREAK
3:50-5:15pm	S1. SESSION 1 – Emerging Concepts in MS
3:50-3:55	Introduction
3:55-4:05	S1.1 Young Investigator 1 Platform Presentation
4:05-4:15	S1.2 Young Investigator 2 Platform Presentation
4:15-4:25	S1.3 Young Investigator 3 Platform Presentation
4:25-4:35	S1.4 Young Investigator 4 Platform Presentation
4:35-4:45	S1.5 Young Investigator 5 Platform Presentation
4:45-4:55	S1.6 Young Investigator 6 Platform Presentation
4:55-5:05	S1.7 Young Investigator 7 Platform Presentation
5:05-6:00pm	NMSS Barancik Award Presentation and Talk (determined by NMSS)
6:00-8:00pm	PS1. Poster Session 1 / Opening Reception (in exhibit hall)
FRIDAY, FEBRUARY 26	
7:00-8:15am	SS3. Industry Sponsored Satellite Symposium
8:00-8:30am	Breakfast
8:30-11:00am	S2. SESSION 2 – The Spectrum of MS Across the Lifespan
8:30-8:35	Introduction
8:35-9:00	S2.1 Title: Pediatric Onset-effects on Cognition and Long-term Learning
9:00-9:25	S2.2 Title: Aging Effects on CNS Repair and Remyelination
9:25-9:55	BREAK (in exhibit hall)
9:55-10:20	S2.3 Title: Effects of Aging on MS
10:20-10:45	S2.4 Title: Menopause and Hormonal Effects
10:45-11:00	Panel Discussion
11:00am-1:00pm	PS2. Poster Session 2 / Lunch (in exhibit hall)
1:00-3:30pm	S3. SESSION 3 – LACTRIMS: The Spectrum of MS in the Hispanic and Latino Populations
1:00-1:05	Introduction
1:05-1:30	S3.1 Title: The Reality of LATAM Epidemiology Impacting the US
1:30-1:55	S3.2 Title: The Relationship Between Obesity and MS Metabolic-Immunological Interaction
1:55-2:25	BREAK (in exhibit hall)
2:25-2:50	S3.3 Title: Spectrum of MS Demographics in LATAM Population
2:50-3:15	S3.4 Title: MS and Intestinal Microbiota in LATAM Population
3:15-3:30	Panel Discussion

3:30-3:45pm	BREAK (<i>in foyer</i>)
3:45-5:15pm	CE1. Cutting Edge Developments
3:45-4:00	CE1.1 Title: COVID-19 and MS-Registry Information
4:00-4:15	CE1.2 Title: Vaccination Responses in Setting of Different Types of MS DMTs
4:15-5:15	AB1: Groundbreaking Abstract from submitted material
4:15-4:25	AB1.1 Groundbreaking Presentation 1
4:25-4:35	AB1.2 Groundbreaking Presentation 2
4:35-4:45	AB1.3 Groundbreaking Presentation 3
4:45-4:55	AB1.4 Groundbreaking Presentation 4
4:55-5:05	AB1.5 Groundbreaking Presentation 5
5:05-5:15	AB1.6 Groundbreaking Presentation 6
5:15-5:30pm	Awards Presentation (<i>in general session with short talks by awardees</i>)
5:30-6:30pm	Awards Reception (<i>in exhibit hall</i>)
6:45-8:00pm	SS4. Industry Supported Satellite Symposium
6:45-9:00pm	Resident Summit Dinner
8:00-10:00pm	Social Event TBD
SATURDAY, FEBRUARY 27	
6:30-7:45am	SS5. Industry Supported Satellite Symposium
7:00-8:00am	Breakfast
8:00-10:00am	S4. SESSION 4 – Spectrum of Inflammation and Environmental Impacts on Inflammation
8:00-8:05	Introduction
8:05-8:30	S4.1 Title: Inflammasomes and Pyroptosis in MS
8:30-8:55	S4.2 Title: Mechanisms of Inflammation – Vitamin D Effects on Myeloid Cells
8:55-9:20	S4.3 Title: Weight, Obesity and Adipokines
9:20-9:45	S4.4 Title: Impact of Methionine Intake on Inflammation
9:45-10:00	Panel Discussion
10:00-10:15am	BREAK (<i>in foyer</i>)
10:15am-12:10pm	S5. SESSION 5 – The Spectrum of Other Non-MS Inflammatory CNS Diseases
10:15-10:20	Introduction
10:20-10:45	S5.1 Title: Humoral Immunity, Astrocyte Injury, and Demyelination in Neuromyelitis Optica
10:45-11:10	S5.2 Title: NMO and anti-MOG: Updates on Diagnosis and Treatment
11:10-11:35	S5.3 Title: CNS Inflammatory Complications of Check-point Inhibitors
11:35-12:00	S5.4 Title: Autoimmune Encephalitis
12:00-12:15	Panel Discussion
12:15-1:35pm	Lunch
12:15-1:30pm	Resident Summit Lunch
12:20-1:35pm	SS6. Industry Supported Satellite Symposium
1:45-3:50pm	S6. SESSION 6 – The Spectrum of Disease Severity: From Benign to Aggressive MS
1:45-1:50pm	Introduction
1:50-2:15pm	S6.1 Title: The Innate Immune System in Progressive MS
2:15-2:40pm	S6.2 Title: Spectrum of Imaging Findings in Benign vs. Aggressive MS
2:40-3:05pm	S6.3 Title: Cerebral/Cognitive-Predominant MS
3:05-3:30pm	S6.4 Title: Benign MS and Aggressive MS – Nature or Nurture?
3:30-3:45pm	Panel Discussion
3:45-4:00pm	CL1.1 Closing Remarks <i>Jeffrey Cohen, Cleveland Clinic</i>
4:00-5:15pm	SS7. Industry Supported Satellite Symposium
